October 17th on Saltspring Island with Picnic-Get-Together after Rallye - Bring Food. Registration at Goldstream Park at 8:15 a.m. Entry fee for Non UVASC Members $1.00. Map of Saltspring Island will be supplied.

Psychology Department

Dr. H. E. Tryk acted as Chairman of a symposium titled "The Motivational Basis of the Development of Interests and Committments" which was presented at the annual convention of the American Psychological Association in Washington, D.C. in September.

Dr. Frank Spellacy received a Fellowship from the Gerontological Society to attend a week workshop on "Mental Health Aspects of Aging" held in Ashville, North Carolina in August of this year.

Dr. R. B. May, in collaboration with Mr. David MacPherson, have a paper out "Size Discrimination in Children Facilitated by Changes in Task Difficulty" which appeared in the Journal of Comparative and Physiological Psychology, 1971, Vol. 75. Mr. MacPherson, co-author, was previously a student at the University of Victoria, and is now at the Institute for Research in Human Abilities, St. John's, Newfoundland.

Geography Department

Under the supervision of Dr. Colin Wood and six other faculty and staff members, a successful field school was held in Kelowna, B.C. the first week of September for departmental graduate and honours students. The purpose of the school was to examine the economic, social and physical environment of the Okanagan Valley.

Dr. Charles Forward, Dr. Peter Murphy, Dr. Colin Wood and Mr. Derek Reimer attended the annual meeting of the Canadian Association of Geographers held at the University of Waterloo, June 1-5th. Dr. Wood presented a paper prepared jointly with Dr. W. R. D. Sewell entitled "Environmental Decision Making and Environmental Stress: The Goldstream Controversy", while Dr. Murphy presented "A Comparative Analysis of the Contribution of Attitudes toward an Explanation of Spatial Patterns for Two Consumer Activities".

Dr. W.R.D. Sewell was appointed an advisor on Flood Problems to the Water Resources Section of the United Nations Secretariat and in this capacity spent time in New York over the summer. In addition he was Viciting Professor in the Dept. of Geography and Water Resources Centre in the University of Hawaii, April 19-24, and later at the University of Edinburgh he presented two papers on aspects of environmental behaviours. Additionally he attended a meeting of the National Science Foundation, Advisory Panel on Atmospheric Sciences, Washington, D.C. between the 11-13 July, and periodic meeting of the Advisory Committee on Flood Control of the British Columbia Energy Board.

The United Nations has invited Dr. Sewell to present a keynote paper to the Inter-Regional Seminar on Issues in Water Administration in New Delhi, December 7-16, 1971. His paper will be on "Administration Aspects of Water Resources Planning". The Seminar will be attended by fifty delegates from thirty countries in the more advanced and lesser developed regions of the world and the proceedings will be translated into four languages.

Dr. Elaine Limbrick (President of the Association of Canadian University Teachers of French) and Dr. John Greene (Secretary of A.C.U.T.F.) attended the meetings of the Chairmen and Secretaries of the Learned Societies, held at McGill University on September 30th and October 1st.

Physics Department

Dr. D.E. Lobb attended a Los Alamos, New Mexico, meeting of the Facility and Beam Line Subcommittee of the LAMPF Biomedical Users Group and presented a talk on the design of the TRIUMF Biomedical Pion Channel.

Drs. L.P. Robertson, G.R. Mason and G.A. Beer have recently been participating, with physicists from U.B.C., in an experiment at the Lawrence Radiation Laboratory at Berkeley, California. The extent to which position pions, with energies less than 80 MeV, are scattered from deuterons is being measured in order to gain further insight into the general problem of pion-nucleon interactions.

Division of Continuing Education

The Division of Continuing Education is offering two off-campus courses this Fall to respond to educational needs of Victorians. "Japan: A Cultural and Economic Perspective for Businessmen" is being offered at the Provincial Museum during the noon hour by Dr. Stanton Tuller, Department of Geography, and has enrolled local businessmen.

Test Construction and Evaluation for Teachers in Nursing Education is being given at St. Joseph's and Royal Jubilee Schools of Nursing by Dr. Walter Muir, Faculty of Education.

Registration in the Division of Continuing Education has increased by 11% over the previous period last year. Current enrolment in the Fall program is 518. Registrations since April 1, 1971 total 624.

The Division of Continuing Education, in cooperation with the Professional Engineers of Victoria, will offer a course "Reading Improvement for Professional Engineers" to be taught by Dr. R.S. Martin, Director of the Reading and Study Skills Program, Counselling Centre, beginning on November 6.

Job Oportunities and How to Find Them

Canada Manpower Centre is offering a series of two day sessions on the subject of "Creative Jobs and Career Search". Sessions are held every Monday between 2:30 and 4:30 with an optional wrap-up session the following Friday.
Lessions will include subjects such as market information on sources of work, interview behaviour and resume writing. For further information drop in to the Manpower Centre or call 477-1807.

LIBRARY

Dean W. Halliwell, University Librarian, reports that the library collection has now reached the half-million mark. On Friday, October 8th, the count was 499.000 and the publication of Dr. Ann Saddlemyer, English Department, entitled "LETTERS TO MOLLY" was selected as the #500.000 volume to mark the occasion. It is most appropriate that the works of one of our own faculty should be selected. The "Acting" editor of this newspaper has a copy - when you see it and browse through it, you'll want one too. (How's that for ending a sentence?) Signed, Floyd the Fair.

SECRETARY'S CORNER

Student Housing, previously located in Hut "F", have now moved into Room 106, Commons Block, effective October 5th.

Miss H. Lindstedt, Faculty of Education is now located in Room 423, MacLaurin Building. Her Local is 344.

Members of the English Department were busy as usual during the summer months in a number of research projects, study trips and conferences. Dr. M.D. Faber was Chairman of the "Psychoanalysis and Shakespeare" symposium at the World Shakespeare Congress in Vancouver to which Drs. L. Ewert, J. Coldwell and R. Lawrence were also delegates. In recognition of his contribution to the field of literature and psychology, the Modern Language Association of America has invited Dr. Faber to become Secretary of General Topics Ten (Literature and Psychology) for 1972 and Chairman of General Topics Ten for 1973. He will coordinate panels and papers in this area of study at meetings of the Association in New York and Chicago. Drs. F. Riddle, L. Adey and V. Neufeldt attended The "Middlemarch" Centennial Conference at University of Calgary where it was decided to form a Canadian Western Region Victorian Studies Assn. Dr. Neufeldt will represent UVic on the steering committee. Mr. H. Summerfield has been appointed as one of the two General Editors of the Collected Works of A.E. (George W. Russell). Mr. Robert Sward of the Creative Writing Division has given several poetry readings, at Vancouver Art Gallery, for Radio Canada in French, Harpur College in New York, the University of Illinois (Urbana) and St. Adrian Company, New York. Professor Robin Skelton lectured on "J.M. Synge: Political and Social Attitudes" at the Synge Centenary Conference in Dublin, and gave a poetry reading at the Commonwealth Institute, London.
